

BIOLOGICAL STAIN REMOVER

Description: Professional cleaner easily removes even the toughest stains. Removes stains from carpets, upholstered furniture, car seats and most other fabrics. Effectively removes food, coffee, grease and other stains. Eliminates unpleasant odors. Preserves the brightness and freshness of colored fabrics. Takes good care of fabrics and prolongs its life. Unlike standard chemical agents, provides a deeper and safer cleaning.

Health benefits: No phosphates, no harsh solvents, no chlorine bleaches, no abrasive substances, no perfumes, no colorants, no toxic substances, pH neutral, hypoallergenic. Safer alternative to harsh chemical cleaners. Awarded with ECO GREEN certificate. Recommended for people with asthma and allergies.

Environmental benefits: Low VOC's, easily biodegradable, minimum impact on aquatic life, recyclable packaging materials, no animal testing. Highly recommended for use in houses with septic and other types of onsite sewerage system.

Directions: Shake well before use. Saturate the stain with formula and allow stand for 2-5 minutes. Scrub with a wet brush, and then blot with a clean, absorbent cloth. Repeat as necessary. Clothing needs to be laundered after, for complete stain removal. Note: Before use, test fabric for colorfastness in an area that does not show.

Ingredients: Probiotic cleaner, containing; Water, Microorganisms (class 1 "non-pathogenic"), Alkyl(C9-11) alcohol, ethoxylated (organic, from coconut oil, palm oil or soybean), Sodium octylsulfonate (organic, sodium salt and octanesulfonate), 1,2-propanediol (organic, from seaweed), Soda, Citric acid (organic acid), Kathon CG (green preservative for household products, without formaldehyde and halogens)..
