

BIOLOGICAL CARPET AND UPHOLSTERY CLEANER

Description: Designed for carpet, upholstery and most types of fabrics. Professional cleaner with deeper cleaning and longer lasting odor control. Easily removes even old embedded dirt. Eliminates musty mildew odor and prevents its return. Takes good care of the carpet and prolongs its life. Unlike standard chemical agents provides longer-lasting odor control and deeper cleaning.

Health benefits: No phosphates, no harsh solvents, no chlorine bleaches, no abrasive substances, no perfumes, no colorants, no toxic substances, pH neutral, hypoallergenic. Safer alternative to harsh chemical cleaners.

Awarded with ECO GREEN certificate. Recommended for people with asthma and allergies.

Environmental benefits: Low VOC's, easily biodegradable, minimum impact on aquatic life, recyclable packaging materials, no animal testing.

Highly recommended for use in houses with septic and other types of onsite sewerage system.

Directions: Shake well before use. For hand application: dissolve 40ml (3-4capsuls) in 1L of water, spray onto the surface of the fabric and start cleaning. For extractor machines, add 100ml and 4L of water. To avoid excess foaming, fill with water before adding the formula. Note: Before use, test carpet or fabric for colorfastness in an area that does not show.

Ingredients: Probiotic formula containing; Water, Microorganisms (class 1 "non-pathogenic"), Alkyl(C9-11) alcohol, ethoxylated (organic, from coconut oil, palm oil or soybean), Sodium octylsulfonate (organic, sodium salt and octanesulfonate), Sodium Sulfate (organic, mineral salt), 1,2-propanediol (organic, from seaweed), Sodium bicarbonate (organic, baking soda), Soda, Kathon CG (green preservative for household products, without formaldehyde and halogens).
