

BIOLOGICAL ODOR REMOVER

Description: Instantly and fully eliminates unpleasant odors in places of garbage collection, public toilets, auto interiors, fitness facilities, hospitals, also footwear and in all places, where bad odor is a problem. Unlike standard chemical agents, eliminates odors, not by masking them, but by removing the organics that caused them. Provides long lasting odor control and a freshness effect. By result surpasses most modern chemical deodorants and masking agents.

Health benefits: No phosphates, no toxic substances, no harsh solvents, no chlorine bleaches, no abrasive substances, no colorants, pH neutral. Safer alternative to harsh chemical cleaners. Awarded with ECO GREEN certificate.

Environmental benefits: Low VOC's, easily biodegradable, minimum impact on aquatic life, recyclable packaging materials, no animal testing.

Directions: Shake well before use. Spray the formula straight onto the dirty surface, and leave until it dries out. When using for wiping and mopping surfaces, mix 50 ml of the formula in bucket of water. Note:

Ingredients: Probiotic cleaner, containing; Water, Microorganisms (class 1 "non-pathogenic"), Cocoamidopropylamine Oxide (organic, from coconut oil), Sodium Xylenesulfonate (organic, hydrotrope), marlipal (organic, from coconut oil, palm oil or soybean), Sodium Sulfate (organic, mineral salt), Magnesium chloride (organic, mineral salt), Sodium nitrate (organic, mineral salt), Magnesium nitrate (organic, mineral salt), BHT (organic, antioxidant), 1,2-propanediol (organic, from seaweed), Fragrances, Kathon CG (green preservative for household products, without formaldehyde and halogens).
