### BIO-DWT

#### BIO-FORMULA FOR ONSITE SEWAGE SYSTEMS AND VAULT & PIT TOILETS

Super strength waste digester & odor controller for septic systems, concrete collectors, biological treatment systems, vault & pit toilets. Dry concentrate of the unique, scientifically-developed microorganisms.

#### DESCRIPTION:

- ◆ Digests organic waste, oils, grease, paper
- ◆ Destroys harmful bacteria
- ◆ Eliminates bad odors
- ◆ Prevents drain field from clogging

Unlike most analogs BIO-DWT is:

- ◆ Efficient
- ◆ Does not require oxygen
- ◆ Selectively adapted to cope with and digest detergents and other household chemicals.

**IMPORTANT: To ensure optimum performance of your system, constant use of selectively adapted bacteria is necessary.**

Packaging:  
500 g and 150 g

Made in USA

### BIO-DRAIN CARE

#### DRAIN CLEANER – ODOR CONTROLLER

Will keep you drain lines free-flowing.

#### DESCRIPTION:

- ◆ Cleans drain lines from organic waste, degrades accumulated deposits
- ◆ Destroys harmful bacteria
- ◆ Eliminates bad odors
- ◆ Prevents drain system from back-ups

#### ADVANTAGES:

- ◆ Non-corrosive
- ◆ Develops a biofilm, thereby preventing organic accumulations
- ◆ Environmentally friendly.

Package:  
100 g

Made in USA

### BIO-DSCENT

#### ODOR CONTROLLER & WASTE DIGESTER, SPECIFICALLY DESIGNED FOR PORTABLE & BIO-TOILETS

By result surpasses modern chemical deodorants and masking agents.

#### DESCRIPTION:

- ◆ Cleans holding tank surfaces
- ◆ Breaks down waste and toilet paper
- ◆ Eliminates bad odor

#### ADVANTAGES:

- ◆ Instant odor control
- ◆ Does not require special toilet tissue
- ◆ Environmentally friendly

Package:  
1 l

Made in USA

Recommended by the Latvian association "Asthma and Allergy".

### BIO-GT

#### BIOLOGICAL DRAIN CLEANER FOR HOUSEHOLDS AND COMMERCIAL KITCHENS

Just 10–15 grams twice a month protects your household kitchen drains from backups and bad odors!

#### DESCRIPTION:

- ◆ Degrades and digests fats, grease and all organics
- ◆ Eliminates bad odors
- ◆ Destroys harmful bacteria
- ◆ Develops a biofilm that prevents organic accumulations

Unlike to most chemical agents:

- ◆ Non-corrosive
- ◆ Safe to use
- ◆ Environmentally friendly

*Highly recommended if food waste disposer is used!*

For commercial kitchens:

Dosage depends on the amount of fats, grease, trap size, etc.

**Please call for our expert for advice: +371 67480572 • +371 22304541**

Packaging:  
500 g and 100 g

Made in USA
